

Artistic Talent Helps Children's Dental Health Clinic

Congratulations to Harbor member Ting-Wey Yen, DDS, (Prosthodontics-Long Beach) who recently put his artistic talents to helping the Children's Dental Health Clinic. Dr. Yen worked with his staff to create a fundraiser, inviting fellow dentists, patients, friends and concerned community members to support the Children's Dental Health Clinic. Zimmer, Nobel Biocare and 3M added their support for the event. Dr. John Blake, CDHC Executive Director and Dental Director and Barbara Lieberman-Jones, CDHC Development Director, spoke to guests about the Children's Dental Health Clinic and how they currently serve over 33,000 patient visits a year to provide care for children in need. Dr. Yen's efforts brought in over \$10,000.00 to support the life changing services provided by the Children's Dental Health Clinic on the campus of the Miller Children's Hospital in Long Beach. 🚩

Harbor Dental Society members, family members and staff have access to a credit union....

Are your bank fees getting you down? Are you considering making a switch? LBS Financial Credit Union is a great local option. Harbor Dental Society has partnered with LBS Financial for many years to offer financial services to our member dentists, their families and their office staff. LBS Financial has been in the community for over 75 years and offers all of the accounts of a bank, but with lower fees and competitive rates. There are six local branches in Long Beach, Lakewood, Cerritos and Newport Beach in addition to 2,600 shared branches where you can access your account across the United States. The Credit Union also offers 28,000 free (no-surcharge) ATMs nationwide to its members. LBS Financial has free online banking, bill pay and eStatements so you can access your account at any time online.

Joining the Credit Union is as simple as completing a Membership application and costs as little as \$6 (\$1 one-time Membership Fee and \$5 goes into your savings account to keep your Membership active). The Credit Union's Choice Checking account is free when you maintain a minimum balance of \$300 or use direct deposit and electronic services only (otherwise it only has a \$4 monthly fee). There are no fees for having a debit card.

Switching your account from your current bank to LBS Financial is not difficult. You can set up direct deposit to your new account at the Credit Union through your payroll department or maintain multiple direct deposits at different institutions until you clear all of your outstanding debits and checks. For more information about the Credit Union, contact Heather Summers at 800.527.3328, ext 5115.
